Web Admin Dashboard Mockup

ANALYTICS + KPI +
MONITORING

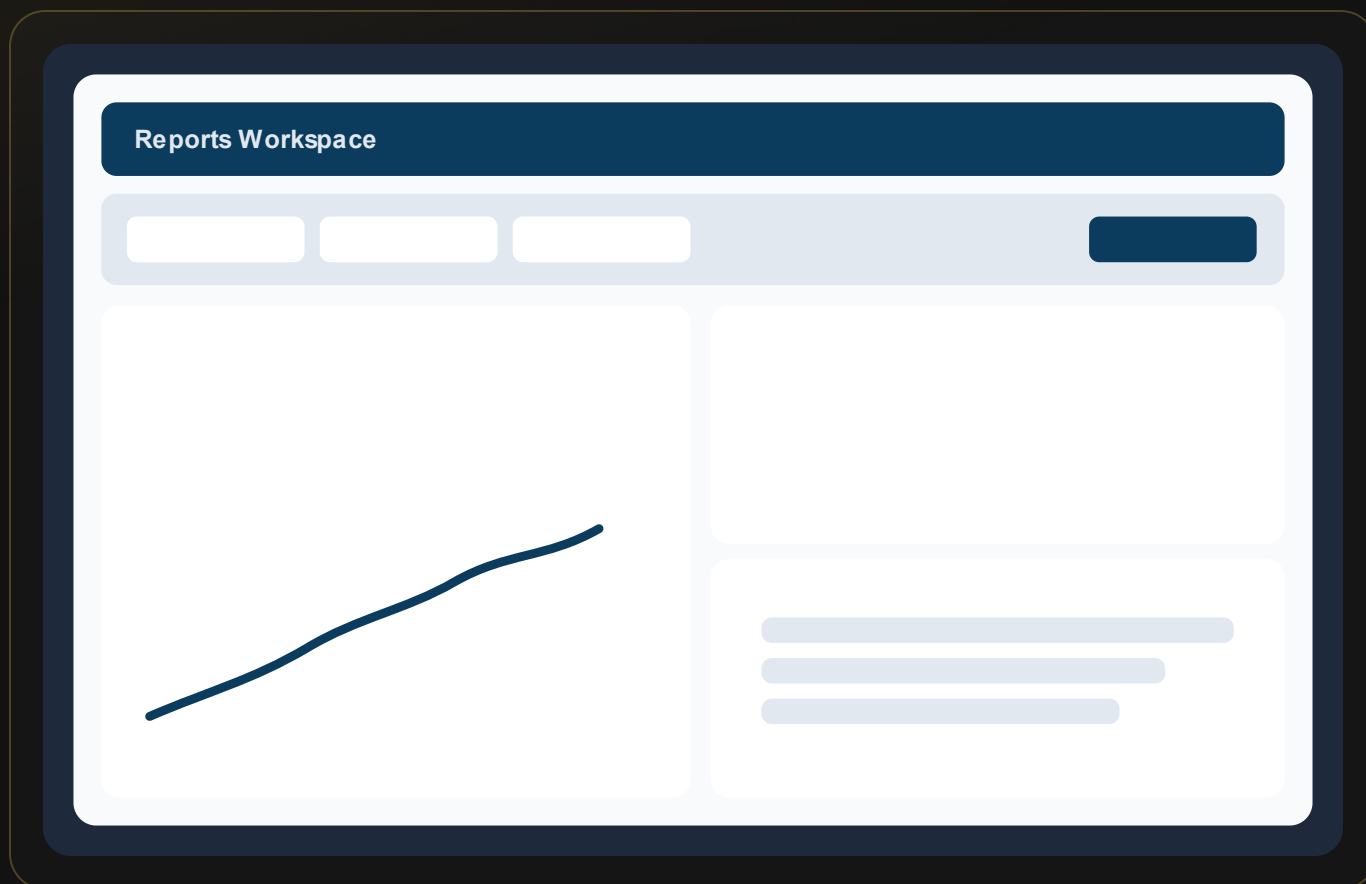

- Executive KPI cards for sales, margin, and sync health.
- Designed for branch/outlet-level LPG operations monitoring.
- Black-gold premium branding for proposal-ready visuals.

Use this slide when discussing owner/admin visibility.

Reports Workspace Mockup

OPERATIONS + FINANCE
REPORTS

- Sales, inventory, customer balance, and payment breakdown tracking.
- Export-friendly design for branch admin reporting cycles.
- Built for quick filtering and easier non-technical review.

Use this slide for audit, finance, and operations stakeholders.

Mobile POS Mockup

CASHIER + FIELD-READY UX

Mobile-first workflow for LPG sales, transfers, and syncing. Suitable for cashier lanes, delivery riders, and barangay route operations.
